

# Help us survey birdlife across the Rehabilitating Roe 8 corridor!

**We are calling all twitchers, bird-enthusiasts and nature lovers!**

Get involved in our ongoing citizen science project and help us gather data on birdlife in the corridor.

1. **Create a Birdata** account and download the free app
2. **Select** one of the six monitoring sites (Tuart, Biara, Karak, Jarrah, Moodjar or Moyootj) in the corridor
3. **Head out** any day at any time
4. Carry out a **2ha, 20 min** survey!
